Some people say that money is what makes everything possible...I share a different opinion .I believe that money can be really horrible .sure,with money one could afford to live ultimate desires,but what's really hidden from view is the kind of thing that too much money could do to people.Money and wealth disguise all the humanity of life.So many people wonder about every day of their lives wishing to live a rich animation.Yet the part they miss in that "wonderful"life is the change that takes place in themselves.To gain something one must be willing to exchange something,and for something as massive as money,the price is breathtaking.Nevertheless,some see it as reasonable amount and even more agree to the trade;even if the price is the one most important gift from God,All one must pay is their soul.

These innocent victims of greed and selfishness are blinded from all but bills of disgusting green.Pretty soon they are jailed inside their own world of rotten filth fooled by their philosophy that money is the most substantial thing on the face of this planet.Suddenly even the nicest restaurants in town fail to please them and so they move elsewhere seeking something—anything—that will satisfy their lost and stolen senses.The braggadocio of their mammoth ego demolishes even the most patient hearts and so they become lonely predators of their own hunmanity .They look upon soul as thieves eyeing their every penny,and even their own mother to them is a burglar thirsty for green.They trust no one,think of no one ,help no one,and in the process shed all love within them;hopeless,and helpless.Trappde in their own creation ,these dreams are ...and they say money is harmless—how could they say that?

今天我看了一部非常精彩的电影，我觉得这是我看过的最好的影片。影片讲的是一个纯朴的姑娘，她的父亲在一个有魅力的富人家中当司机。这位姑娘生来就神往美丽，却迷上了这女主人家中的小儿子。后来她去巴黎，企图摆脱此事。在富于浪漫色彩的法国巴黎，有很多可看的，也有很多可思考的。就在那里，她终于忘却了过去，并真正发现了自我。

我自己从未到过巴黎，但这部电影以某种方式使我认识了具有这个具有传奇色彩的美妙城市和美丽的爱情，使我十分激动并爱上了那如画的风光。这部电影最令我感到惊叹的是：在我所看过的“电影剧本”（我指的是从原著改编的电影剧本）中，这是第一本（也可能是最后一本）比原著更令人叹为观止的了。我总是认为，书比一部影片、一幅画或一出戏美妙得多，因为书本使用的语言似乎触及到你的内心以及你可能想象的地方。我记得我一生中阅读写得好的书都是这样，全身心地感受描写每一个动作、每一种感情的每一个词语。我从未想到一部影片能像一本书那样对人会产生更深刻的影响。看完这部影片后，证明我错了！哦，至于这个故事的结局吧，你只有看过这部影片才会相信，因为不可能有什么字眼可以描写这样的体验！
