

2013 年北京外国语大学 811 英语能力测试（写作）考研 试题（回忆版）

本试题由 kaoyan.com 网友 hj112 提供

一、写一个 summary (300 字) 一个 commentary (500 字), 共 70 分。

网上找不到原文, 大意是贫困问题啊资源稀缺问题啊实际上都不是经济发展和科技发展能解决的, 是一种政治问题, blah blah
不是很难理解。

二、800 字作文, 80 分, 二选一。

1. literature is a nation's unique cultural heritage and a passage to understanding the soul of the nation. In your opinion, in what ways are Chinese writers important in cross cultural dialogue between China and the West and what role can they play this endeavour?

2. Some scholars argue that all historical writing is coloured by the conscious and subconscious purposes and prejudices of its authors. To what extent do you agree or disagree with this view?
